SRMS PTO MINI GRANT?

WHAT

Mini Grants begin with an idea that usually get stuck at the funding stage. The SRMS PTO would like to offer teachers up to \$100 each per year to support new innovative ways of teaching or just for finding funding for something you need so that you don't have to pay for it yourself. You come up with the idea, make the purchase, and we will reimburse you! Grants must be approved by PTO prior to purchase and we will begin with 20 grants to give out to teachers. If we raise more, we will be able to offer more!

WHO

This is for you! All Sunrise Middle School educators are eligible to apply for a grant. Puppies are cute, but unfortunately they are not eligible for a mini grant at this time.

WHEN

Teachers can only receive one mini grant during the 2025-2026 academic school year. Applications are reviewed on a first-come, first-served basis.

WHY

We know that teachers work very hard to provide our students with the best learning opportunities available to them... and so this hopefully helps sprinkle a little extra opportunity in your year. We would like to facilitate a program that not only shows you our appreciation, but also supports you in your teaching endeavors!

HOW

We do ask that teachers make the original purchase and then are reimbursed. We have moved to an electronic request for reimbursement. You can use this QR code to submit your request!

Sunrise MS PTO and Your Contributions At Work

Being a part of the Sunrise MS PTO is of no cost to our families, but your donations are greatly appreciated. Here is a breakdown of how the PTO distributed funds last year to our school!

Year-Round Teacher Appreciation

Teacher and Staff breakfasts, lunches, gifts, etc. Our teachers are amazing and we want them to know they are appreciated!

PTO Operating Budget Banking fees, website, etc.

Student Supports

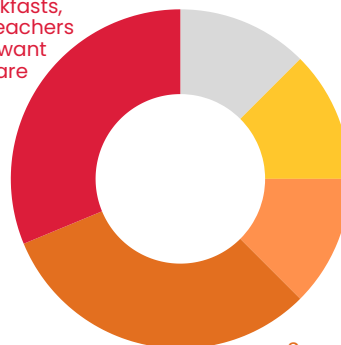

These funds support annual programs by certain groups or clubs. Proceeds go to the special education program, orchestral students, and more!

Teacher Grants

Supporting teachers with supplies or in their efforts to present new and unique learning opportunities that may need additional funding. These funds go directly to supporting teachers in their teaching.

Educational Enrichments

As quality programming sometimes exceeds the budget provided to our school from the state, this funding helps support our robotics, Mandarin, dance, theater, and band programs. It also supports our Student Government and NJHS as well!

Donate to SRMS PTO every time you shop, without giving a penny out of pocket... **HOW?**

The Fry's Community Rewards Program donates a percentage of your Fry's VIP card savings every time you shop to the Sunrise Middle School PTO. We are then able to use those funds for programs that directly support our teachers and students.

- Go to www.frysfood.com (scan below) and log into your account. Don't have one? It is easy to create one!
- Then click "Community Rewards" and use our Fry's ID FQ876 and then click save.
- This can also be done from your Fry's App. You can see the amount donated to SRMS PTO on your receipt every time you shop!
